## Note

- ① If you are experiencing irregular symptoms, please do not wait for this exam. See a doctor immediately.
- ② We are unable to re-issue examination forms after you have received your exam.
- ③ If you receive multiple examinations, we will ask for full payment. Please be aware.
- ④ If you are able to receive health examinations through your workplace, "ningen dokku," or by other means, you do not need to receive the city-sponsored examination.
- ⑤ If you are currently receiving treatment for an illness, please consult with your primary doctor.
- ⑥ Please do not receive an examination if you are currently menstruating. Please aim to receive the examination between one week after your period, and the beginning of the following period.
- ⑦ For convenience sake, we recommend wearing a skirt to the exam.
- ⑧ The uterine exam can only be performed at a medical facility. If you have had any unusual bleeding, irregular periods, irregular colors in your blood, etc. in the past 6 months, the test can be performed with your consent.
- ⑨ If you have had your uterus removed, please consult your doctor before receiving the cervical exam
- ⑩ The cancer screening used is not perfect at finding cancer (false negative.) In some cases, a false positive may occur.  
Please receive regular examinations and if you have any symptoms, contact a doctor.
- ⑪ Personal information collected will only be used for the purposes of the exam. In the case of suspected cancer, this information will be shared with medical facilities in order to further improve testing accuracy. We ask for your understanding.
- ⑫ For group examinations, we ask that you not bring your child with you into the examination.  
If your child can wait patiently and quietly alone for your examination to finish, you may bring them along. However, if the child is injured on the premises, it is not the responsibility of Toyohashi City or the corresponding medical facility.
- ⑬ **Examinations may be cancelled or postponed due to infectious disease outbreaks or inclement weather. Please check the city website for the most up-to-date information**

**CAUTION!!! IF YOU HAVE THE FOLLOWING SYMPTOMS, DO NOT WAIT FOR THIS EXAM, SEE A DOCTOR IMMEDIATELY**

Uterus: Irregular bleeding outside of your period, irregular period, etc.
