

Online Taekwondo Camp with the Head Coach of the German National Taekwondo Team

Due to the world-wide spread of the coronavirus, it has become impossible to hold international exchange events in person. In order to continue to strengthen our international ties, and to increase excitement for the Tokyo 2020 Olympics and Paralympics, we will be holding an online taekwondo camp with the coach of the German National Taekwondo Team. The German taekwondo team came to Toyohashi in September last year and held a training camp and exchange events. The camp will feature the taekwondo team's head coach, Georg Streif, and members of the Kishukai taekwondo club in Toyohashi.
