自宅療養証明書（新型コロナウイルス感染症専用）
Home Recuperation Certificate (for Novel Coronavirus)

Sample

1. Person who had the home recuperation (name)	<NAME>	<SEX>	Date of birth	<DATE OF BIRTH>
2. Name of illness	Novel Coronavirus（COVID-19）			
3. The start date of the recuperation（※1）	<Date of diagnosis>			
4. The end date of the recuperation（※2） （written only when necesary）	<Date accepted to end the recuperation>		Here will be blank for those who had the recuperation based on the Ministry of Health, Labour and welfare's criteria.	

※1 "The start date of the home recuperation" is the diagnosis date of novel coronavirus (COVID-19)
※2 For those who were accepted to end the home or accomodation recuperation withiin 10 days (for example, 7 days if no symptoms, and 10 days if having symptoms, besed on the Ministry of Health, Labour and Welfare'a criteria), the Life Insurance Association of Japan and the General Insurance Association of Japan will make a payment based on the start date of the recuperation written on this certificate. Therefore, if the recuperation ended within 10 days, "the end date of the recuperation" may not be written on this certificate.
※3 We certify only "the start date of the recuperation", if "the end date of the recuperation" is omitted.
